## What's New

Disaster tax relief was enacted for those impacted by Hurricane Harvey, Irma, or Maria, including provisions that modified the calculation of casualty and theft losses of personal-use property. See Pub. 976, Disaster Relief, for more information about these and other disaster tax relief provisions that may not be covered in this publication.

## Reminders

**Future developments.** For the latest information about developments related to Pub. 584-B, such as legislation enacted after it was published, go to [IRS.gov/Pub584B](https://www.irs.gov/pub584b).

**Photographs of missing children.** The Internal Revenue Service is a proud partner with the [National Center for Missing & Exploited Children® \(NCMEC\)](https://www.nccmec.org). Photographs of missing children selected by the Center may appear in this publication on pages that would otherwise be blank. You can help bring these children home by looking at the photographs and calling 1-800-THE-LOST (1-800-843-5678) if you recognize a child.

## Introduction

This workbook is designed to help you figure your loss on business and income-producing property in the event of a disaster, casualty, or theft. It contains schedules to help you figure the loss to your office furniture and fixtures, information systems, motor vehicles, office supplies, buildings, and equipment. These schedules, however, are for your information only. You must complete Form 4684, Casualties and Thefts, to report your loss.

## How To Use This Workbook

You can use this workbook by following these five steps.

1. Read Pub. 547 to learn about the tax rules for casualties, disasters, and thefts.
2. Know the definitions of [adjusted basis](#) and [fair market value](#), discussed below.
3. Fill out Schedules 1 through 6.
4. Read the Instructions for Form 4684.
5. Fill out Form 4684 using the information you entered in Schedules 1 through 6.

Use the chart below to find out how to use Schedules 1 through 6 to fill out Form 4684.

Take what's in each row of...	And enter it on Form 4684...
Column 1 .....	Line 19
Column 2 .....	Line 20
Column 3 .....	Line 21
Column 4 .....	Line 22
Column 5 .....	Line 23
Column 6 .....	Line 24
Column 7 .....	Line 25
Column 8 .....	Line 26
Column 9 .....	Line 27

**Adjusted basis.** Adjusted basis usually means original cost plus improvements, minus depreciation allowed or allowable (including any section 179 expense deduction), amortization, depletion, etc. If you didn't acquire the property by purchasing it, your basis is determined as discussed in Pub. 551. If you inherited the property from someone who died in 2010 and the executor of the decedent's estate made the election to file Form 8939, refer to the information provided by the executor.

**Fair market value.** Fair market value is the price for which you could sell your property to a willing buyer, when neither of you has to sell or buy and both of you know all the relevant facts. When filling out Schedules 1 through 6, you need to know the fair market value of the property immediately before and immediately after the disaster or casualty.

**Deduction limits.** If your casualty or theft loss involved a home you used for business or rented out, your deductible loss may be limited. See the Instructions for Form 4684, Section B. If the casualty or theft loss involved property used in a passive activity, see Form 8582 and its instructions.

The casualty and theft loss deduction for employee property, when added to your job expenses and most other miscellaneous itemized deductions on Schedule A (Form 1040), must be reduced by 2% of your adjusted gross income. Employee property is property used in performing services as an employee.

**Delayed refund for returns claiming certain credits.** Due to changes in the law, the IRS can't issue refunds before mid-February 2018, for returns that properly claimed the earned income credit (EIC) or the additional child tax credit (ACTC). This applies to the entire refund, not just the portion associated with these credits.

personal or financial information. This includes any type of electronic communication, such as text messages and social media channels.

## The Taxpayer Advocate Service Is Here To Help You

### What is the Taxpayer Advocate Service?

The Taxpayer Advocate Service (TAS) is an **independent** organization within the IRS that helps taxpayers and protects taxpayer rights. Our job is to ensure that every taxpayer is treated fairly and that you know and understand your rights under the [Taxpayer Bill of Rights](https://www.irs.gov/BillOfRights).

## What Can the Taxpayer Advocate Service Do For You?

We can help you resolve problems that you can't resolve with the IRS. And our service is free. If you qualify for our assistance, you will be assigned to one advocate who will work with you throughout the process and will do everything possible to resolve your issue. TAS can help you if:

- Your problem is causing financial difficulty for you, your family, or your business,
- You face (or your business is facing) an immediate threat of adverse action, or
- You've tried repeatedly to contact the IRS but no one has responded, or the IRS hasn't responded by the date promised.

## How Can You Reach Us?

We have offices [in every state, the District of Columbia, and Puerto Rico](https://www.irs.gov/ContactUs). Your local advocate's number is in your local directory and at [TaxpayerAdvocate.IRS.gov/Contact-Us](https://www.irs.gov/ContactUs). You can also call us at 1-877-777-4778.

## How Can You Learn About Your Taxpayer Rights?

The Taxpayer Bill of Rights describes 10 basic rights that all taxpayers have when dealing with the IRS. Our Tax Toolkit at [TaxpayerAdvocate.IRS.gov](https://www.irs.gov/TaxToolkit) can help you understand [what these rights mean to you](https://www.irs.gov/WhatTheseRightsMeanToYou) and how they apply. These are **your** rights. Know them. Use them.

## How Else Does the Taxpayer Advocate Service Help Taxpayers?

TAS works to resolve large-scale problems that affect many taxpayers. If you know of one of these broad issues, please report it to us at [IRS.gov/SAMS](https://www.irs.gov/SAMS).

## Low Income Taxpayer Clinics

Low Income Taxpayer Clinics (LITCs) are independent from the IRS. LITCs represent individuals whose income is below a certain level and need to resolve tax problems with the IRS, such as audits, appeals, and tax collection disputes. In addition, clinics can provide information about taxpayer rights and responsibilities in different languages for individuals who speak English as a second language. Services are offered for free or a small fee. To find a clinic near you, visit [TaxpayerAdvocate.IRS.gov/LITCmap](https://www.irs.gov/LITCmap) or see IRS Publication 4134, [Low Income Taxpayer Clinic List](https://www.irs.gov/LowIncomeTaxpayerClinicList).
